RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT

Applicant wishes to bring to the attention of the Patent and Trademark Office the information noted on the enclosed forms PTO/SB/08A & B that may be considered material to the examination of the above-identified application.

Please note, as indicated in the attached documents, the enclosed Information Disclosure Statement was originally filed via facsimile on October 30, 2003. It has come to the Applicant's attention, however, that the facsimile was not placed with the file. In the Office Action mailed on September 22, 2005, the Examiner did not include a copy of the PTO/SB/08A & B indicating that it has been considered. Applicant checked PAIR on January 17, 2006 and the Information Disclosure Statement was not listed as received and also was not in the image file wrapper.

No fee is due at this time, as this Information Disclosure Statement was originally filed pursuant to 37 C.F.R. § 1.97(b)(1), within three months of the filing date of a national application other than a continued prosecution application under § 1.53(d).

Respectfully submitted,
